

Energy forum 2017 presents

Implementation of the Marshall Plan with Africa after the G20-Summit in Hamburg on July 2017

Friday, 1st December 2017
08.30 Uhr – 18.00 hours
Technology Centre Dresden
Gostritzer Straße 63, 01217 Dresden

The Wipro GmbH, in cooperation with the Technology Centre Dresden, would like to cordially invite you to our 13th Energy forum in the Technology Centre Dresden. A variety of lucrative projects in the sector of renewable energies including solar and storage technologies, gas technology as well as actual financing conditions of the federal Hermes-Insurance will be presented and discussed. We offer you the opportunity to establish sustainable and far-reaching connections with important stakeholders in and from the region (including a board-member of TANESCO – the main Tanzanian energy provider).

You will also have the possibility to visit the famous Striezelmarkt in Dresden after the event.

Please register by 30th November 2017 to Wipro GmbH
Fax: +49 (0)351 / 871 84 48 or E-mail: info@wipro-dresden.de

Yes, we wish to make a firm registration for the above event. The participation fee of 65,- € (incl. VAT) will be remitted by us to the bank account as stated below.
